## Introducing the **Galaxy J3 Orbit**

An easy-to-use Galaxy smartphone designed for your lifestyle. Shoot and share on a simple camera with plenty of storage to keep your photos. Browse and stream on the go, and get customer support when you need it.

### **Capture your life**

Our best Galaxy J3 camera yet easily captures crisp, bright memories on an 8MP main camera and great selfies on a 5MP front camera.

### **Beautiful design. Bold screen.**

See the difference of a sleek Samsung design that fits comfortably in your hand, bag or pocket. Easily scroll through photos and send texts on the 5.0" HD screen.<sup>1</sup>

### **Expert customer support**

Make the most of the Galaxy experience with real-time customer care<sup>2</sup> that's just a tap away. Use the Samsung+ app for one-touch access to community support, tips and more.

### **No-fuss navigation**

With Easy Mode, get right to what you want on a simplified interface with larger fonts and fewer icons on each page.

### **Stay charged**

Browse and stream movies and music for longer with a long-lasting battery<sup>3</sup>—all with the assurance and convenience of a replaceable battery.

### **Room to grow**

Store your favorite photos with 16GB<sup>4</sup> of built-in memory. When you need more space, expand your memory up to 400GB with a microSD card.<sup>5</sup>
